

Ellie Zhang (Lead Teacher Daycare One's)

Hi! I am Ellie, I work with two wonderful teachers, Ms. Cida and Ms. Linda, for one-year-olds. I like biking, camping, kayaking, cooking, reading, sewing and gardening. I came from a big Chinese family and married to a big American family, both of which are full of love, care, respect and happiness. I am lucky to feel these same feelings from my kids in class too. We are one big family! I've never enjoyed any job as much as being a teacher at Grace Day School. Being able to share in an important stage of the children's life and experience their healthy development makes me very fulfilled! Growing in God's Love!
