

**Ayse Motiie (AM Assistant Teacher)**

Hi, my name is Ayse Motiie. I have been married for 27 years to my lovely husband Saied and have 2 beautiful daughters, Bitu (19) and Neda (17). I used to be a flight attendant with Turkish Airlines for 10 years. We then moved to Texas. I worked at Grace learning center with the 2 year olds for 11 wonderful years. I have now joined the daycare and work with Miss Rosana and Miss Farzi in a class of 3 year olds. During my years at Grace I have been blessed to work with lovely children. I appreciate that I can work with friendly people in such a warm environment.
