

Hyewon Kim Gayer

Hi, I am Kim. My full name is Hyewon Kim Gayer but I go by Kim for short. With a wonderful staff I really enjoy working at Grace. I have been working with children (preschool) over 12 years. I'm so thankful to have the opportunity to be part of these wonderful children's lives. I was born and raised in South Korea. I taught Korean language at Han Yang University in South Korea. I moved to USA in 1997. When my son was 4 years old he started attending Heritage Christian Day School and I began teaching at the school in the 3 year old class. In 2007, I earned my CDA (Child Development Association) certification. My philosophy on working with young children is that they learn from play. I prefer to use "teachable moments" where the children learn through interaction in the moment. I love to teach and watch children grow as they strengthen their emotional, cognitive and physical skills. I feel blessed to work with group of sweet and loving 3 year olds at Grace. In my spare time I love to hang out with my family and friends. Also I enjoy traveling, reading and listening music.
