

**Kwyonnica Frazier TTH 1's and MWF 2's**

My name is Kwyonnica Frazier. I have worked with children of all ages for 16 years. My background consists of teaching in different schools. I love teaching and working with children, it's my passion. Being a teacher means I am able to immerse myself in what I love. It's a true gift from God. When I am not teaching I spend time with my 5 year old daughter Riyah, cooking and spending time with family and friends.
