

Martha Carrasco

This is my 14th year working at Grace, my third year as the morning aide. As the aide I get to work with all age groups. For 11 years I worked with toddlers. My husband and I moved from New York City 18 years ago because of a relocation. We have 3 wonderful sons, 3 great daughters-in-law and 6 beautiful grandchildren. We love to travel around the world. I really enjoy my job at Grace.
