

Melinda Shiff (School Year 2's Teacher)

Teaching with Miss Penny in the 2's is a wonderful adventure. A native of Tennessee, I grew up in a large family and many were teachers. My husband Max and I will celebrate 36 years of marriage soon and are blessed with 2 grown children. Our son Max is married to a teacher and they gave us our brilliant grandson, Collin. Our daughter Blair works in Denver, Colorado as Executive Web News Director for KUSA. When I am not teaching, I love traveling, gardening, reading and cooking. I have been a member of Grace Presbyterian Church for 34 years. I serve as an elder, Moderator of the Women of Grace, attend Bible Study and work with the Children's Godly Play. I am blessed to work with so many talented and creative teachers at our school and look forward to many more years here.
