

Rosana Bablu

It's a great honor to be part of Grace's staff. This is my 13th year at Grace. I enjoy working here because the people are wonderful. I moved here from India in 1991 with my husband. We have 2 smart, good boys, Erte, 18 and Armani, 17. In India I earned a degree in Child Development and taught second grade for 10 years. I love children and at present teach in the 3's class with Ayse and Farzi. We have the most adorable class! I love the children in my care and love watching them grow and learn. My hobbies are reading, sewing, solving crosswords and spending time with my sons.
