

Riz Montemar

I am proud to be part of Grace Christian Day School staff and family. This is my 11th year working at Grace. I have been teaching for over 20 years. My educational background is in Early Childhood Development, Arts and Science. I have a lovely 17 year old daughter named Gabby. She is currently attending 11th grade at Plano West High School. I strongly believe that working with children is what God had planned for me. He has blessed me with a strong desire to make a difference in children's growing years. To me a child's laughter and a smile, with a twinkle in his or her eye is what I find most rewarding.
