

Gowri Kumar 2's Lead Teacher

I have worked at Grace since 2001. I work with the older 2's. After teaching in the 1's class and as a replacement substitute teacher for a few years I became a 2's lead teacher.

I am originally from India. I moved to the U.S.A. way back in 1983. I have 2 wonderful children. My son Ravi Kiran is 31, He works here in Dallas for Time Warner as a Producer/Shooter. My daughter, Aparna is 23 and a graduate of UT Austin. Aparna is currently employed as a Production Assistant for N.B.C. in New York.

I am blessed to be a part of Grace Presbyterian Church and enjoy working here.
