

Mary Arenas (3's)

This is my 13th year working at Grace with the 3 year old class. The 3 year old class has been so much fun. I love being their teacher. I am originally from Colombia, South America and we moved to Texas 13 years ago. I have been blessed with a wonderful husband for 28 years. We have a son Jorge who is graduating with an MS in Marketing at UT Dallas. I also have two stepsons. Esteban is an artist and lives in California and Ludwig is an accountant who lives in Florida. My hobbies include reading, traveling and spending time with my family. This year we are celebrating the news that I am a grand mom with the birth of a beautiful baby girl Lola and we are expecting another one any day now.
