

### **Penny Berg (Two's Day School Teacher)**

I grew up in Wichita Falls, Texas and have 2 older sisters. I attended Midwestern State University and graduated with a Biology degree in 2001. Before graduating I married my best friend, Brent, in 2000. We moved to Fayetteville Arkansas and Wichita, Kansas, for job transfers and settled in Dallas in 2009 to be closer to family. We have a 10 year old son, Caleb and a 6 year old daughter, Macy. Macy attended school at Grace and loved it! I worked at Beaty Early Childhood School as a teaching assistant in a self-contained classroom and heard about Grace through one of the teachers. In our spare time, our family likes to watch movies, play games, get involved with church activities, volunteer and travel. I am so excited to be working with Melinda and all of the other wonderful teachers at Grace!
